Welcome

Thank you for booking your child onto Sporting Influence's Activity Camps. This guide will give you and your child an initial insight into what the Activity Camp will look like, how the day works and how what is in place to ensure both staff and children are safe during their time at camp.

Sporting Influence aims to offer affordable, safe and active childcare throughout the school holidays. Sporting Influence Activity Camps are made up of a variety of games, sports and activities that allow the children to switch off from day-to-day school life. Our Camp staff are mostly qualified teachers so parents can be assured that children are under the safe supervision of professionals who understand children and their needs.

Camp Social Skills

At Camp, we look to encourage and celebrate five social skills that are slightly different (but no less important) than the social skills we promote in schools. At the end of the day, staff members will reward selected children with a wristband to acknowledge their efforts at Camp that day.

An infographic consisting of five colored panels, each representing a social skill. Each panel features a title, a quote, and a cartoon mascot character. The panels are: 1. Communication (purple background, quote: 'The most important part of communication is to hear what is being said.', mascot in purple), 2. Confidence (green background, quote: 'With confidence, you win before you start.', mascot in green), 3. Determination (teal background, quote: 'Determination is the difference between the impossible and the possible.', mascot in blue), 4. Kindness (yellow background, quote: 'The desire to have a positive impact on others.', mascot in yellow), 5. Teamwork (red background, quote: 'You can always see further standing on the shoulders of a friend.', mascot in red).

COMMUNICATION
The most important part of communication is to hear what is being said.

CONFIDENCE
With confidence, you win before you start.

DETERMINATION
Determination is the difference between the impossible and the possible.

KINDNESS
The desire to have a positive impact on others.

TEAMWORK
You can always see further standing on the shoulders of a friend.

Expectations

To run a successful camp it requires great teamwork from all parties involved.

Sporting Influence will:

- Provide a safe environment for your child to enjoy.
- Provide a fun and active timetable for the children to choose their favourite activities.

To support us, we ask parents/carers to:

- Encourage your child to be part of their team and help them to understand the importance of working as part of the team.
- Keep us informed of any changes to your child's health and well-being.
- Read relevant information for their Camp day and contact us if they have any queries.

To support us, we ask children to:

- Follow camp routines and adult instructions.
- Continue to show all five of the Sporting Influence social skills.
- Have lots of fun.

Timings

REGULAR DAY

Parents/carers have the option to drop their child off between 8:30 am - 9:00 am and collect their child/ren between 3:30 pm - 4:00 pm at a time that is convenient for them.

The day will finish slightly earlier for children in Reception with their collection between 3:00pm - 3:30pm.

DROP-OFF & PICK-UP

Your Camp Information text & email will inform you which Drop Off Point to use. This information will also be available on the Parent Portal after the text & email have been sent out. A map of the Drop Off/Collection Points can be found in Appendix 3.

Both Car Park 1 & 2 are drive-thru drop off/collections. Parents should stay in the car where possible and not pull in to the marked bays.

For Reception drop off/collection, parents should park and take their Reception aged children down the ramp and in via the doors in to the hall.

EARLY DROP-OFF

Early drop-off is available between 8:00 am - 8:30 am. If you would like your child/ren to access early drop-off, you should book online. Please use Car Park 2 (Green Lane entrance) and you will be greeted by a member of our Team to register your child/ren. EYFS/Reception Early Drop Off is at the Reception Car Park just like a regular drop off.

LATE PICK-UP

Late pick-up is available between 4:00 pm - 5:00 pm. If you would like your child/ren to access late pick-up, you should book online. Please use Car Park 1 (Yew Tree Lane entrance). Park your car in the bus bay and walk down the pathway between the hedges. The children will be in the sports hall on the right hand side with the doors open.

FULL WRAP-AROUND CARE

Full wrap-around care is available at a discounted price. Again, book this online and drop-off & pick-up at your designated drop-off/pick-up point.

SIBLINGS

If your children are due to be dropped off/picked up at different locations please select one to drop/collect all children.

Teams

Each team will be run by at least one adult and have its own designated classroom where the team will be based for snacks and lunchtime. Where appropriate, we will look to merge teams for activities which will increase the amount of choice for each child and mean they are more likely to be able to see other friends.

First Aid

All Sporting Influence staff are first-aid qualified. This means that each team will have a first-aid-trained member of staff. Each team will have a fully stocked first aid box which will be replenished at the end of each day.

Snack & Lunchtime

Your child's lunchbox will be kept in their classroom. Please ensure your child has everything they need for snack and lunch in their lunchbox.

PLEASE REMEMBER WE ARE A NUT-FREE CAMP

We are experiencing an increased number of nut allergies at camp, therefore we must stress the importance of keeping lunchboxes nut-free.

Hand Washing & Toilet Routine

Before snack and lunch, Teams will be asked to wash their hands. Children will be given multiple opportunities throughout the day to use the toilet.

Visitors to Camp

Sporting Influence use external teachers to provide specialist sport and activity such as fencing/dance/martial arts.

We will announce these on social media as and when they are booked on.

Weather

We urge parents to send their

children to camp wearing/with

sensible clothing. This includes:

- Waterproof coat Jumper/hoody T-shirt
- Spare shorts/trousers Spare socks Spare trainers
- We cannot predict what the weather will do in beautiful North Yorkshire so please prepare for all instances, it isn't rare to have all four seasons in a day!

It would be extremely helpful if you could write a name in any items that might be taken off so that we can reunite the children with their items more easily. Any clothing that is not collected will be washed and donated to charity.

Water

Your child must bring their own water bottle to our Activity Camps. We ask that you fill the bottle with water or diluted juice.

Fizzy drinks are not permitted.

Swimming

We swim every afternoon at camp and as such we endeavour to get as many children in the pool as possible, but our main focus is always safety. Our swim ratios (Teacher:Children) are:

Non-Swimmers & Beginners - 1:12
Other Groups - 1:16

All adults leading a swim session will be sufficiently qualified and will be accompanied by a Lifeguard. We also have an assistant in the water, when we deem it necessary, to ensure the safety of the children.

Even though your child may be able to swim we may still, at times, ask them to wear/use a floatation device/aid to allow them to have as much fun as possible.

We have changed how you choose to swim at Sporting Influence Camps. This now happens during the booking process. We advise children to bring swim kit with them if they would like to swim and haven't booked on as e may

have room on the day.

To make swimming as fair as possible we have put together a swim timetable for different ages, see below:

Monday: Year 4 - Year 9

Tuesday: Year 1 - Year 3

Wednesday: Year 4 - Year 9

Thursday: Year 1 - Year 3

Friday: All children have the option to swim

All About Me

If your child receives 1-1 assistance at school or you think there is something we should know about your child, to make their experience at camp better, please contact us on sportinginfluence.camps@gmail.com.

We may ask you to fill in the 'All About Me form' (Appendix 1) to give us a better idea of how we can give your child the best experience.

Injury & Illness

All injuries will be passed on during pick-up. We will use professional judgement when assessing all injuries and make contact via phone or email at the time of injury if we deem it appropriate.

If your child is sick during camp hours you will be called to pick them up and they will not be able to attend camp for 48 hours. If your child is booked in for days they cannot attend due to sickness, please contact us via email concerning a refund (See Refunds section).

If your child has any injuries or illness before attending camp, but are well enough to attend camp, then please inform staff on your arrival so that we can be sure to watch out for your child throughout the day.

Medication

If your child requires medication and needs to take this during camp hours you must inform staff of this on arrival. Please complete the medical form (Appendix 2).

Appendix 3

Drop Off/Collection Point

Both Drop-off 1 & 2 will operate as a drive-thru system. For your safety and to keep the flow of traffic moving please do not park up and get out of your car unless you need to.

Reception parents, enter as though you are entering Car Park 1, turn right as though you are going in to the sports centre car park, drive through the car park and turn left by the tennis courts. Parents should park up in the car park and bring/collect their child at the Reception building, down the ramp and into the school hall via the open doors.
