

Rhyme Rally

The children start standing in front of each other. The adult must start the children off with a word. They then play word tennis saying REAL WORDS which rhyme with the original word. If a child stutters, gets it wrong or takes too long they will lose a life. Lives are represented by changing position.

Number of Lives	Position
5	Standing
4	One Leg
3	Knees
2	Bottom
1	Plank
0	Game Over

You can adapt this game as needed, it does not have to be rhyming. It can be times tables, capital cities, countries... most things work.
