

# Roll to Victory

You will need:

2 die

12 pieces of paper numbered 1-12

Start line

Stop watch

7	1
8	2
9	3
10	4
11	5
12	6

How to play:

- Start the stopwatch.
- Player rolls both die, the player must turn over the number they add up to.
- Once you have turned the number over it is out.
- You must get number 7-12 out first, then take away one of the die & use one dice.
- Once all the numbers are turned over stop the clock.

Extention

-If you roll a number that is already out, that number is back in the game.

Make it easier - Just use one dice and numbers 1 - 6.

Make it harder - Must get them out in certain order.
