

The Mountain Climber

The three highest mountains in Britain are:

🏆 Scafell Pike - 978m

🥈 Snowden - 1085m

🥇 Ben Nevis - 1345m

The average flight of stairs is 3m high. To reach the top of each mountain you would have to walk up your stairs:

Scafell Pike - 326 times

Snowden - 361 times

Ben Nevis - 448 times

Who will be the champion climber in your house?
